

Split the Ticket Fund

Delivering Gifts of Warmth to Neighbors in Need

You can help provide heat to a neighbor in need this winter with a donation to the Split the Ticket Fund. All financial contributions are matched with a donation of heating fuel.

Fuel and service providers are often the first to hear about and respond to a heating emergency. This program gives local businesses, organizations, and individuals, the opportunity to provide a gift of warmth to someone in their community. Founded in 2007, the Split the Ticket Fund has organized the distribution of more than 100,000 gallons of free heating fuel.

She began to cry when I told her she was to receive a free delivery of fuel. "I am grateful to live in a country that takes care of its people in times of need."

Words cannot express how blessed and thankful we are for this amazing gift, thank you to everybody who took part. Please from the bottom of my heart know how truly grateful I am for the little bit of weight it helped take off my shoulders! This program is truly heaven sent!

"When the truck arrived she called me frantic telling me that she never called for a delivery and didn't have the money to pay for the fuel. I told her it was a Split the Ticket donation. There was a moment of silence. I asked if she was still there. She was crying and could not talk."
