

Split the Ticket Fund

Delivering Gifts of Warmth to Neighbors in Need

She began to cry when I told her she was to receive a free delivery of fuel.

"I am grateful to live in a country that takes care of its people in times of need."

If you donate a delivery of heating fuel, the Split the Ticket Fund will pay for half the gallons.

After you send in your pledge form, your company will be featured on our website, in the Vermont Fuel Line Newsletter, and in all press releases about the Split the Ticket Fund. Check out the news coverage and learn more about this program at ticketsplit.org.

This is a great opportunity to show how we can help our neighbors in need.

Details: Fuel dealers that participate in the Split the Ticket program agree to donate a delivery of heating fuel to one of their customers. The Split the Ticket Fund will pay for 50% of the cost of the delivered fuel, up to 150 gallons. Payment will be provided after receipt of delivery ticket and a brief description of why the recipient was selected. Payments are distributed on a first come, first served basis. If the funds are exhausted before all pledged gallons are delivered, the dealer agrees to make the delivery without the 50% match. If there are any funds remaining after all pledges have been delivered, dealers will have an opportunity to make a second delivery to another recipient. Donations may also be used to provide heating equipment, tank replacement or repairs with the same 50% match, up to \$500 per company, as funds allow. The Split the Ticket Fund is a 501(c)(3) nonprofit organization (EIN #: 81-3251592). Contributions are tax-deductible to the extent allowed by law.
