## Split the Ticket Fund Delivers this Holiday Season

*Gift of Warmth Fund Now in 16th Year*

[Montpelier, VT, November 22, 2023] Many Vermonters in need will receive a surprise gift of warmth this winter thanks to the Split the Ticket Fund. While thousands of Vermont families receive fuel assistance through the Low Income Home Energy Assistance Program, there are many that don't qualify but still need help. These families can receive donations of heating oil, propane, and kerosene from the **Split the Ticket Fund**, a Vermont based 501c3 non-profit organization.

This innovative program matches cash donations with donations of heating oil, kerosene and propane from Vermont's fuel providers. The delivery ticket is split in half: every \$1 donated buys \$2 worth of fuel. Vermont's heating fuel and service providers are mostly small, family-owned businesses. They are often the first to hear about and respond to a heating emergency. This program gives them, as well as local businesses, organizations and individuals, the opportunity to work together to give the gift of warmth to someone in their community. Since it was created in 2007, the fund has delivered more than 100,000 gallons of free heating fuel to our neighbors in need. Due to the historic and catastrophic floods of July 2023, the Split the Ticket Fund is also available to repair and replace fuel tanks, water heaters and heating equipment. Learn more and nominate someone for a gift of warmth at [ticketsplit.org](http://ticketsplit.org).

*Thanks to everyone for the little acts of kindness that can make a big difference this holiday season.*
